

COCKY

DriadeLab,

A new armchair with special features that allow for interactions of use that make it unique. In pure Driade style and true to the brand's typical eclecticism, the Cocky armchair is an ideal furnishing accessory for relaxing; it can change shape and: the armchair is also available in the 5-spoke swivel version in glossy aluminium size allowing the user to choose the position of the armrests and headrest. The padding and upholstery offer a feeling of warmth and comfort on a painted and chrome-plated base. The Cocky armchair comes with a comfortable pouf/footrest.

Soft polyurethane cushion, black painted steel base. Fixed cover in fabric or leather. Indoor use only.
