

FRATE 50°

Enzo Mari,

The Frate table, designed by Enzo Mari, celebrates its first 50 years with a Limited Edition of 50 pieces, numbered and enhanced by the author's signature engraved by laser. An icon of Italian Design, continuously in production since 1973, a masterpiece that can be counted among the happiest creations of the Milanese master, a visionary author and trailblazer of creative thinking for entire generations.

Structure in anthracite black painted steel sections connected by a solid raw oak beam. Limited edition 50° laser engraving. Rectangular top in tempered glass 12 mm/0.47" thick. Indoor use only.
