

LORD YI

Philippe Starck,

Successful completion to the generous shapes of the famous Lord Yo easychair, Lord Yi table is surprising for its simplicity and the clear composition of the parties, deliberately signaled in his tripartite division of base, shaft and top.

Base in aluminum cast painted and column in anodized aluminum. San top with a surface finish hand made shaving a spatula of a colored clay-based compound. The nuances of the manual application characterize the aesthetics of the product. The final treatment makes the product water-repellent and stain-resistant. Indoor and outdoor use
