

TOTTORI

Kateryna Sokolova,

Called after the Japanese animation film "My Neighbor Totoro", written and directed by Hayao Miyazaki, the Tottori furniture collection has a friendly and soft silhouette that brings a cozy mood in the house. The collection is completed by a series of coffee tables, in three different sizes is now available in a new version with 4 legs.

Coffee table with an unusual four-leg base. The distinctive features of these small tables are the soft, rounded shape of the MDF top with a shaped edge, and by the generous diameter of the turned solid wood legs. The top is made of MDF with a thickness of 30mm. with "soap" shaped edge and rounded corners, legs in turned solid wood with a diameter of 95mm, with the part resting on the ground rounded into a hemisphere. The finish is a glossy lacquer brown color. Indoor use only.
