

BESS

Model BESS chair with frame in solid wood. Upholstered seat and high backrest. The legs and the sides of the frame, with an almost triangular faceted shape, are made of solid wood while the seat is fitted with elastic belts. The attention to the design of the chair can also be seen in the visual continuity of the slightly curved line formed between the back legs and the high backrest. Suitable for decorating the dining room of a house or a restaurant. Discover all the finishes!
