

FIFTIES

FIFTIES is a stool made in ø18 mm tubular metal, featuring fixed upholstery on the seat and backrest in velvet, faux leather or leather.

Simplicity is a complex affair and transpires from gestures, words and objects. This is the philosophy behind the stunning Fifties range - one of our most popular collections which has just been extended by the addition of this brand-new practical stool. An elegant riff on an enthralling symphony of simplicity.
