

Layla

With a simple and minimal design, Layla meets everybody's multiple aesthetic and functional needs, also thanks to the different module types available in two widths (W 80 or 104 cm), which make this sofa the most versatile in the collection. The seats, which feature clean lines, are rubber padded with a superficial techno polymer layer for a better comfort, while the soft backrests are made with three separate cells filled with down and techno polymer balls.

Total Height:	33 1/8 inches
Width:	116 1/4 inches
Depth:	73 1/4 inches
foot:	Plastic feet, black colour
