

## UNIVERSAL

UNIVERSAL is an integrated system of modular sideboards and cabinets with an incredibly versatile design. Cabinets and entertainment units whose appearance varies according to chosen size and finish. The cabinet doors on Universal become transparent and a rush of light fills the interior space, glowing from within. There is the option of inserting a warm LED light inside the unit. The sideboard turns into a glass display case and source of light. It is a sophisticated object that will elevate either the dining room or living area, a *pièce de résistance* that draws all eyes.
