

OFFSET

A series of lines that chase one another and intersect to create the chromatic and geometric effects distinguishing the OFFSET rug. Like multiple overlapping layers, the hexagonal patterns generate an elegant and decorative visual depth which can be enhanced by juxtaposing several rugs to obtain a continuous pattern. OFFSET is machine-made and both the fleece and the structure are made of synthetic fibers (polyester and polypropylene), but with special ultra-resistant processing that yields a “hand-made” effect.

Total	
Height:	0 5/8 inches
Width:	78 3/4 inches
Depth:	118 1/8 inches
Rug:	POLYPROPYLENE/POLYESTER / BEIGE/BRICK RED/GREY/BROWN
