## Blushing Sloth Blanket

MOOOI

The jacquard-woven wool blanket mirrors the exquisite fur of the Blushing Sloth, a creature known for its tranquil existence, allowing algae to flourish on its outer coat, lending it a mesmerizing luminescence. Similar to the sloth, this blanket can transform its color simply by flipping sides, due to its mirrored pattern on the opposite side. A heavyweight wool blanket with generous dimensions of 130 x 200 cm.
