Cluster Lamp

JOEL DEGERMARK

Joel Degemark's Cluster Lamp is not just a fun eye-catcher that lights up your home. The fun begins before you put it in place. The Cluster Lamp comes without light sources, meaning you can get creative and design a unique lamp that fully suits your interior. The lamp gives room to five light sources of your choice. Big bulbs, small bulbs, coloured glass, frosted glass, round bulbs, flame bulbs, tubular bulbs, etc. The possibilities and combinations are endless. Let your imagination fly and create your own unique Cluster Lamp!

Detailing

The Cluster Lamp comes without light sources, so the final shape will reflect your own imagination and personality.
