

Embroidered Dodo Pavone Comforter

MOOOI

The Embroidered Dodo Pavone comforter is part of Mooodi's Extinct Animals bedding collection. This exclusive comforter has a unique quilted motif inspired by the feathers of the now extinct Dodo Pavone – the largest bird to ever exist on the island of Mauritius. The dreamy pattern in combination with the embroidered 3D effect gives the comforter a luxurious appearance. The back is dyed in a solid colour. The comforter is finished with quilted stitching and flat piping.

Detailing
