Mooon Carpet

MOOOI

Have you always wanted to walk on the moon? Well, now you can! The Mooon Carpet brings the most mesmerising celestial object into your home. Revolutionary printing technique transforms NASA's high-resolution images of the moon into a round low-pile carpet with extraordinary details. Who would've thought your first steps on the moon could be soft! So, don't be shy, dare to ask for the moon!

Detailing

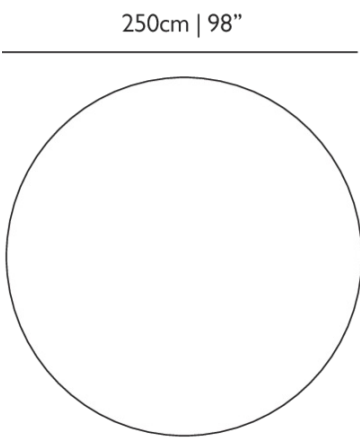

Shoot for the moon. Over the moon. Fly me to the moon. There are few celestial objects as mesmerising and fascinating as the moon!
