

Quilted Dwarf Rhino Decorative Pillow

MOOOI

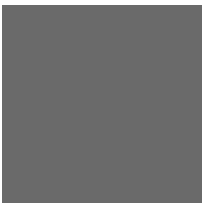

The Quilted Dwarf Rhino decorative pillow is part of Mooodi's Extinct Animals bedding collection. This quilted design is inspired by the graceful angular folds on the skin of the extinct Dwarf Rhino. The quilted wool blend on the front and the first-class raw silk with flock print on the back makes this pillow a comfortable and luxurious accessory in your home. The pillow is bordered with decorative cord piping and sports a zip with the Mooodi logo as a beautiful detail. Insert sold separately.
