

Techno Bee Decorative Pillow

MOOOI

The Techno Bee Decorative Pillow is part of Moooi's Green House Bedding Collection. The design of this exclusive, embroidered silk cushion is inspired by the rhythmic patterns the Techno Bee creates with its wings, similar to cymatics. The back of the cushion is decorated with a pattern in flock print on silk. Dreamy colours such as lilac, mauve, light grey and cream make up this masterpiece. The soft, shiny decorative piping gives the decorative cushion a luxurious look and feel. Insert sold separately.
