Umbrella Squid Comforter

MOOOI

The Umbrella Squid comforter is part of Moooi's Extinct Animals bedding collection. The subtle jacquard weave on the comforter depicts the magical skin of the Umbrella Squid, which was covered with luminous jewels that changed colour. Light and shadow alternated gracefully in a magical underwater world of movement and colour. The reverse side is dyed in a solid colour. The shiny 100% cotton sateen weave feels smooth and soft and gives the comforter set a luxurious look. The comforter is finished with quilted stitching and flat piping.
