

Umbrella Squid Duvet Cover

MOOOI

The Umbrella Squid duvet cover is part of the Extinct Animals bedding collection. The subtle jacquard weave on the duvet cover depicts the magical skin of the Umbrella Squid, which was covered with luminous jewels that changed colour. Light and shadow alternated gracefully in a magical underwater world of movement and colour. The reverse side is dyed in a solid colour. The Umbrella Squid duvet cover is made from 100% cotton sateen for an extra soft and smooth feeling.
