

Woodblock Beetle Fern Wallcovering

MOOOI

The Woodblock Beetle Fern Wallcovering is a natural wallcovering with a non-woven backing, showcasing the beauty of handmade lighter wood veneer inlay. The wallcovering is mono-coloured, but the motifs are thoughtfully arranged in two directions, creating a subtle mix of shades reminiscent of the classic art of marquetry. Available in three colours.

Detailing

Light wood veneer inlay and fern motifs bring organic design and airy elegance to any room with a refined artistic touch.
