Exuding one-of-a-kind style, this elegant double dresser draws inspiration from the timeless beauty of antique Baroque picture frames. Richly carved laurel leaf motifs are brought to life in a Sea Smoke Leaf finish surrounding this nightstand's exquisite, mirrored exterior. Six spacious drawers offer generous storage for your wardrobe and are fully finished in a soft Crème De La Crème. As functional as it is fashionable, this distinctive dresser also features a ¾-inch Carrara white marble top that adds durable functionality while reflecting its classic design roots.
