SOCIABLES

con-coctab-024

COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 50W x 50D x 18.75H

Sociables is one of Caracole's largest and most dramatic cocktail tables. The overall light and airy design and styling of this metal and glass top cocktail offers you the flexibility to take this contemporary or spice up a traditional room without being overwhelming. An unexpectedly warm Taupe Silver Leaf finish has been applied to the metal. We think this finish offers elegance and will make you look like a design genius! Below the glass top, a large-scale, stylized trellis pattern is sure to draw anyone's attention. Use this open air shelf to display books or keep it empty to show off the detailing.
