COLLECTION: MODERN PRINCIPLES

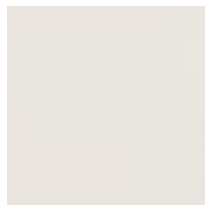

DIMENSIONS: 86.25W x 18D x 32H

An innovative textured adobe finish lends depth and an organic element to this modern take on a 1940s-era Italian design. Sensory and sophisticated, its simple linear form features gently rounded edges and soft-close doors trimmed in a warmly accentuating, Lucent Bronze Metallic metal. Versatile in form and function, it offers a chic storage solution for dining and living rooms, hallways and home offices.
