

4-UP

4u

Experience the sleek, flowing lines of 4u by S.I. Design—a perfect blend of sophistication, ergonomics & functionality. Designed to elevate any space, 4u offers a choice of mesh, upholstered or welded fabric “groove” backs—a slim, comfortable hybrid of mesh & fabric. Select from white or black frames with matching arms & bases. Also available as task stools.

Find a sit-to-stand solution on the 4-UP series.

Design by S.I. Design

In 1996 Lorenzo founded S.I. Design with designers Mirco Pegoraro and Mauro Naletto. S.I. specializes in furniture design, particularly for offices and communal spaces. Today, their team of eight focuses on design and technical assistance in product development utilizing advanced modeling programs.

Smart Features

1) Breathable Comfort: 4u's 4-way stretch elastomeric mesh back provides superior support with enhanced airflow, keeping you cool & comfortable throughout the day.

2) Dynamic Arm: The signature arm on 4u features height adjustment, back/forth positioning & in/out angling—delivering personalized support that adapts to you.

3) Signature Comfort: 4u features Via Seating's proprietary comfort foam, delivering long-lasting support with a plush, responsive feel that outperforms standard cushioning.

4) Precision in Motion: The quick-adjust synchro with seat depth adjustment, forward tilt, a 5-position tilt limiter, back tension & height adjustment—delivering total ergonomic control at your fingertips.
