

Astro

Astro redefines seating with a dynamic, interactive experience unlike any other. Effortlessly rock & swivel, finding balance from any angle. Designed to make a statement, Astro offers versatile textile options to complement any space or design concept. Its high-back design provides a sense of privacy, perfectly framing the user within. The nest-like seat delivers exceptional comfort—ideal for quiet reflection or a moment of relaxation.

Design by Via Seating Design

Via Seating's visionaries are a multidisciplinary team dedicated to creating signature products & concepts. Together, they craft modern, sophisticated & original seating solutions that are not only ergonomic & beautiful but also sustainably designed.

Smart Features

1) Personal Retreat: Astro's high-profile back creates a sense of privacy & quiet respite, offering a comfortable escape within open lounge spaces.

2) Signature Comfort: Astro features Via Seating's proprietary comfort foam, delivering long-lasting support with a plush, responsive feel that outperforms standard cushioning.

3) Motion-Lounge Experience: Astro offers the option to rock & swivel 360°, bringing dynamic movement to lounge seating for a relaxed yet engaging experience.

4) Striking Foundation: Astro's high-design 4-leg base comes in seamless all-polished or matte black finishes, adding a refined, architectural touch to any space.
