

# Brisbane HD 24/7

Brisbane HD is a heavy-duty 24/7 task chair designed for ultimate durability & support. Built with a spacious "D" seat & a 450 lb. weight capacity, it delivers exceptional ergonomic performance for any user. Featuring synchro control technology with optional seat depth adjustment & ergonomic forward tilt, Brisbane HD adapts to individual needs for all-day comfort. Backed by a 12-year warranty, including proprietary comfort foam & labor, it's a powerhouse solution for demanding work environments.

## Design by Via Seating Design

Via Seating's visionaries are a multidisciplinary team dedicated to creating signature products & concepts. Together, they craft modern, sophisticated & original seating solutions that are not only ergonomic & beautiful but also sustainably designed.

# Brisbane HD

## Smart Features

**1) Built-In Relief:** The optional, intuitive headrest on Brisbane HD 24/7 is height adjustable & articulating, delivering personalized neck support across all seat sizes.

**2) Tough Where It Counts:** Brisbane HD 24/7 features Ballistic Brisbane, a strategic application of ballistic nylon that protects the chair from wear caused by gun, safety & utility belts.

**3) Flexible Arm:** The roll back arm on 4u features smooth height adjustment & a backward-moving design, making it easy to get closer to your workspace or slide under desks with ease.

**4) Precision in Motion:** The quick-adjust synchro with seat depth adjustment, forward tilt, a 5-position tilt limiter, back tension & height adjustment—delivering total ergonomic control at your fingertips.
