

Carmel

Experience the refined elegance of Carmel—an executive, conference & “execu-task” seating series designed for both style & performance. With subtle curves & classic tuxedo styling on the front & back, Carmel makes a statement from every angle. Its proprietary comfort foam, injection-molded around an automotive-inspired 100% steel framework, ensures lasting comfort & durability. Ideal for private offices with an ergonomic quick-adjust synchro control & 8-way adjustable arms, as well as conference rooms, jury seating & beyond.

Design by Via Seating Design

Via Seating’s visionaries are a multidisciplinary team dedicated to creating signature products & concepts. Together, they craft modern, sophisticated & original seating solutions that are not only ergonomic & beautiful but also sustainably designed.

Carmel

Smart Features

1) Executive Diamond Stitch (#EDS): Carmel's optional diamond stitching adds a touch of handcrafted elegance, elevating its refined silhouette with artisan-inspired design.

2) Sleek Sophistication: Whether in the high or mid back model, Carmel's hand-sewn tuxedo stitching offers a sharp, tailored finish that elevates its striking design.

3) Signature Comfort: Carmel pairs Via Seating's proprietary injection-molded comfort foam with an automobile-inspired steel framework, creating a plush, supportive sit that surpasses standard cushioning.

4) Refined Foundation: Carmel offers sophisticated wood bases in a variety of finishes, adding warmth & elegance to its modern form.
