

# Chico chairs

Where contemporary design meets European sophistication, Chico emerges—a versatile lounge series that blends soft angles with bold lines. Chico makes a statement in any space while delivering exceptional comfort. Settle into a thick layer of Via Seating’s proprietary injection-molded comfort foam, expertly crafted over a durable metal framework for lasting support. Customize your look with multiple base options, including a sleek & sturdy wire-frame x-base. Whether in lounges, collaborative spaces or private offices, Chico offers the perfect balance of style, comfort & functionality.

## Design by Studio KBH

Studio KnudsenBergHindenes is made up of designers Steinar Hindenes, Anders Berg, Petter Knudsen. The trio were all educated at Bergen Academy of Art and Design. KBH mainly works with furniture, product and interior designs, but is also involved in a series of project based design initiatives. In partnership with manufacturers, they aim to create material and production driven objects with a distinct character.
