

# Eclipse

Inspired by the 50th anniversary of the moon landing, Italian designer Angelo Pinaffo envisioned the Eclipse series—a seamless fusion of form & function. With its continuous, fluid lines mirroring the elliptical orbits of planets, Eclipse embodies both elegance & lightness. This award-winning collection, recognized with Red Dot Design, ADEX Platinum, HiP Honoree & Best of NeoCon GOLD, delivers vintage-inspired beauty with essential comfort. Explore the original Eclipse or take it outdoors with the sleek Eclipse Wired version.

## Design by Angelo Pinaffo

Since the beginning, Pinaffo's creative ability allowed him to cooperate with important professional studios of architecture and design, establishing a decisive and steady relationship with the professional world. He would go on to win numerous awards in national and international architectural competitions. Thanks to his versatility, he has realized projects in architecture, furniture, interior, industrial and graphic design.
