# Balance

Introducing the Sofa Balance, a masterpiece designed by the Natuzzi Design Centre. This sofa is the epitome of versatility and comfort, crafted with a modern and geometric line that perfectly balances style and relaxation. The Sofa Balance features a dual power motion recliner mechanism and modular configurations, making it adaptable to any living space.

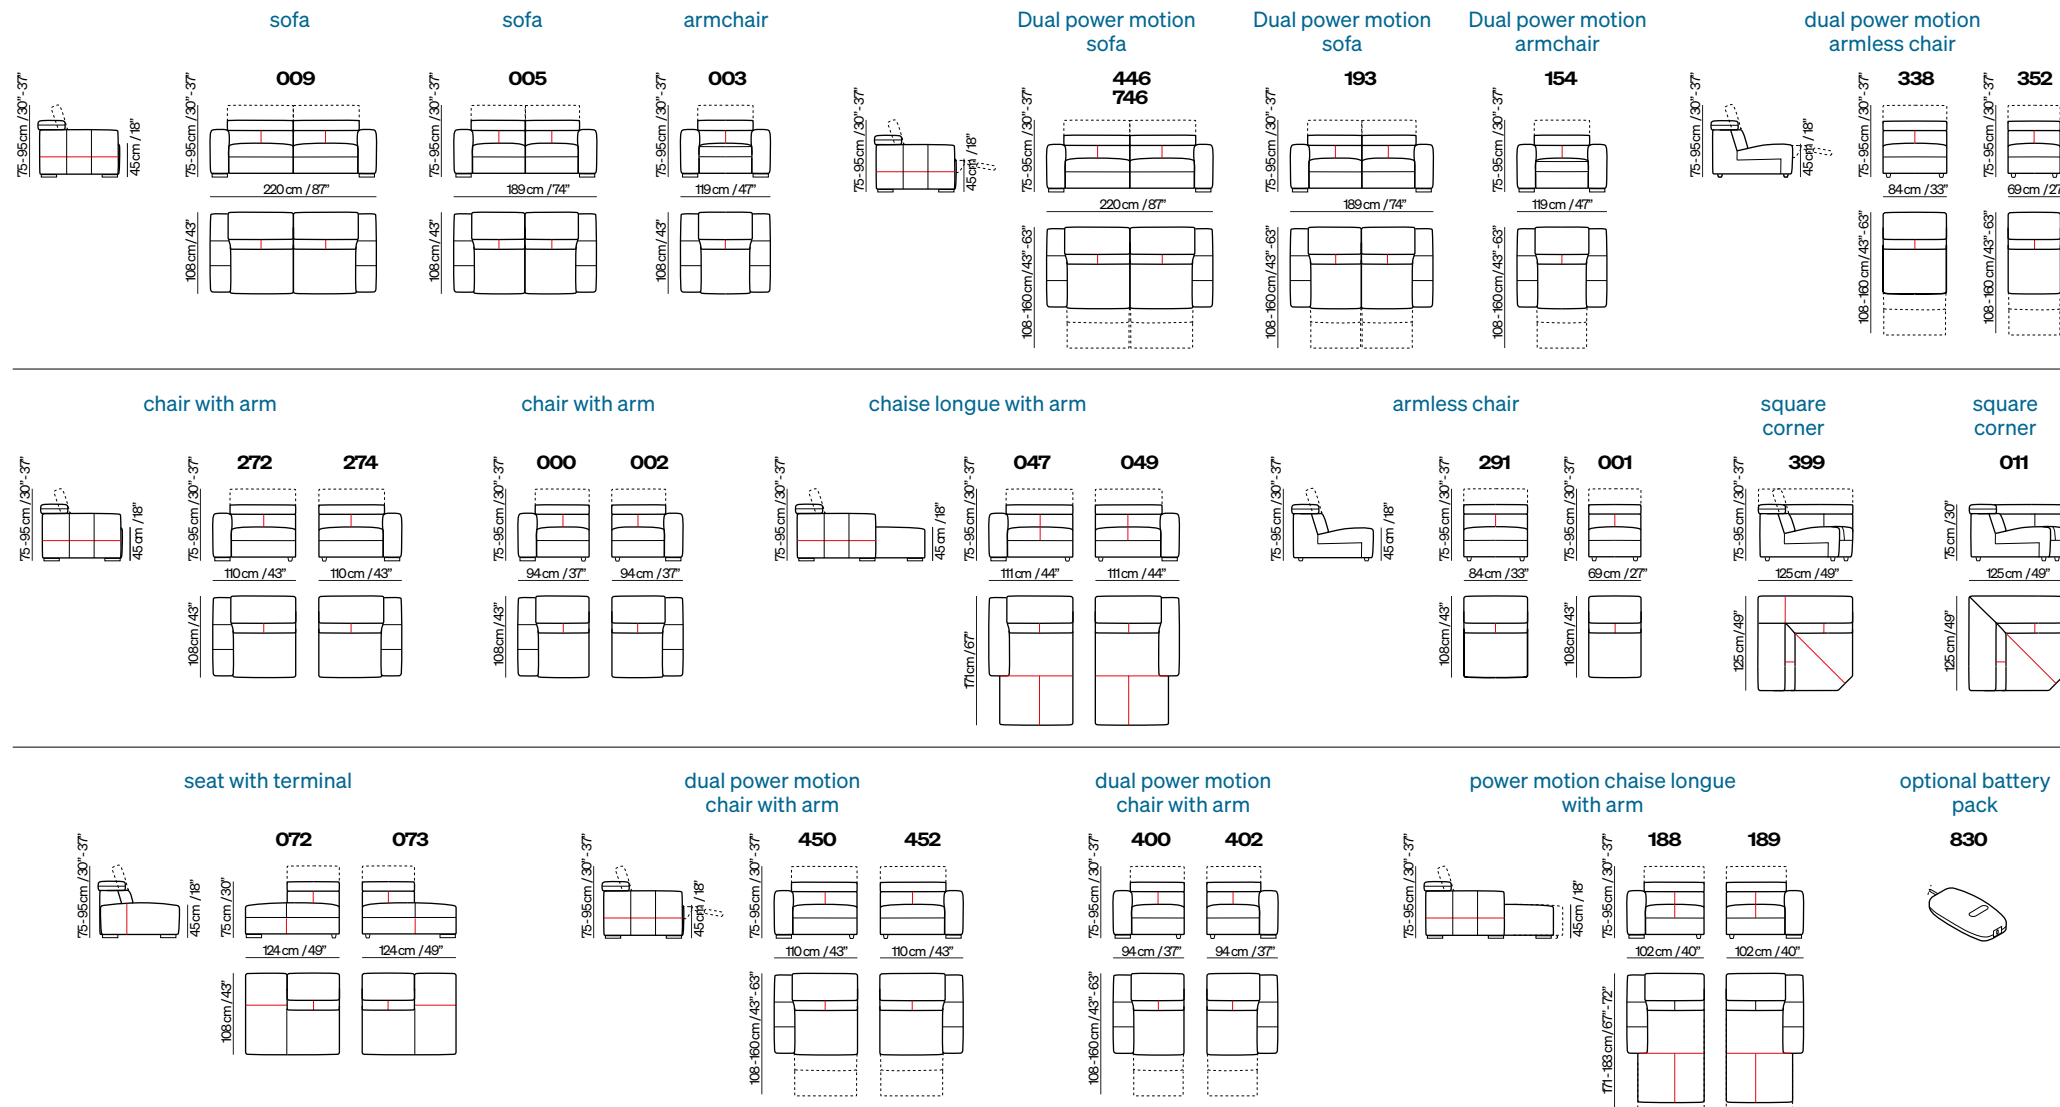

## Design by Natuzzi Design Center

At Natuzzi's headquarters in Puglia, the Design Center's mission is to harmonize design and functionality, aiming to generate well-being and comfort.

## Choose your Balance

The Balance project is extremely versatile, thanks to its 26 SKUs, which allow for unlimited configurations suitable for any space, from retail stores to the homes of our customers.

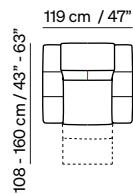

## Versatility and Configurations

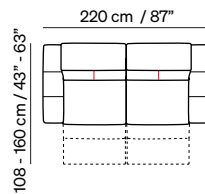

The “Versions and Compositions” chart is designed to showcase the full versatility of the project. Specifically, Balance offers both linear and corner solutions, with optional power motion mechanism.

The red lines depicted in the schematics of the various sofa versions and configurations indicate stitching details that are exclusive to the leather version. These stitching details are not present in the fabric version.

## Technical features

Each power motion recliner is equipped with advanced and intuitive dual-motion technology, ensuring every detail is designed to provide full-body rest and relaxation.

Dual power motion technology

Electric and manual headrest

2 seat widths available

Multiple configurations

Leather and Fabric

Battery available

Zero-Wall mechanism

Also available without recliners

All motion versions come with electric adjustable headrest, allowing to effortlessly find the perfect relax position. The stationary versions are equipped with manual headrests.

The 3030 Balance sofa is available in over 100 fabric colors and categories from the Natuzzi Italia soft covering collection. The main fabric is complemented by a contrast leather insert, available in all colors of CAT 15 Le Mans.

Zero wall mechanism, allowing it to recline without needing extra space behind it. The recliner slides forward, ensuring that it doesn't protrude at the back. This innovative design maximizes your living space while providing ultimate comfort.

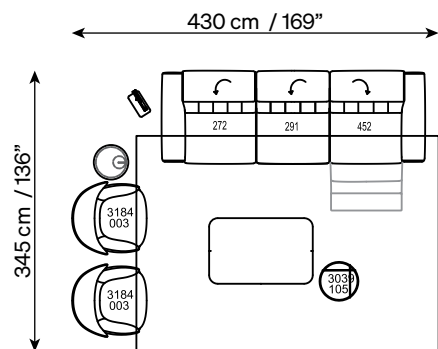

Balance offers two seat width options, ensuring a perfect fit for any space. Choose the width that suits your comfort and style, maximizing both space efficiency and aesthetics.

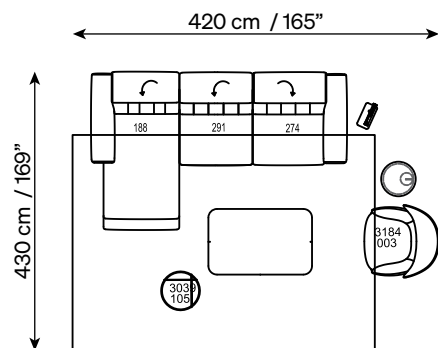

## Layout Examples

It is also possible to express the versatility of the project through different layouts, suggesting the creation of various room sets to show the optimization of spaces in any living area.

To ensure harmony in the projects, the Natuzzi Style Center carefully selects materials and coverings, creating a dialogue between them. In this case, Status leather in Light Grey has been paired with performance Softech fabric in Grey, along with Aventino fabric in Greige. The harmonization of these coverings with woods and marbles will result in a moodboard that defines the final total look of the project. Each collection model offers multiple moodboards to adapt to various market geographies.

To ensure harmony in the projects, the Natuzzi Style Center carefully selects materials and coverings, creating a dialogue between them. In this case, Le Mans leather in Cold White has been paired with Noto fabric in Grey, along with Rizzoli fabric in Warm Dark Grey. The harmonization of these coverings with woods and marbles will result in a moodboard that defines the final total look of the project. Each collection model offers multiple moodboards to adapt to various market geographies.
