Duca

Introducing the Duca, a contemporary casual sofa model that perfectly blends style and comfort. The Duca offers an optional Dual power motion recliner mechanism, allowing you to effortlessly adjust your seating position for ultimate relaxation. For those who prefer a stationary version, the Duca features an adjustable manual headrest, ensuring personalized comfort. This versatile sofa also comes in a modular version, making it easy to customize and fit any living space. Experience the perfect combination of modern design and functionality with the Duca sofa.

Design by Natuzzi Design Center

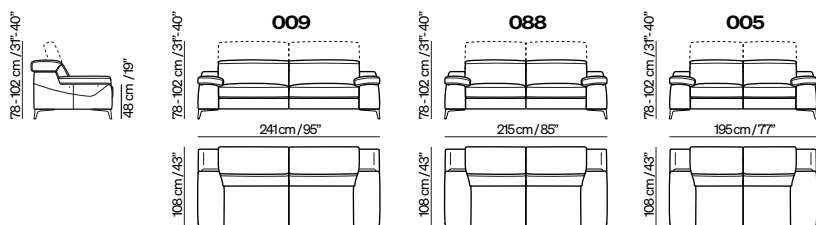

At Natuzzi's headquarters in Puglia, the Design Center's mission is to harmonize design and functionality, aiming to generate well-being and comfort.

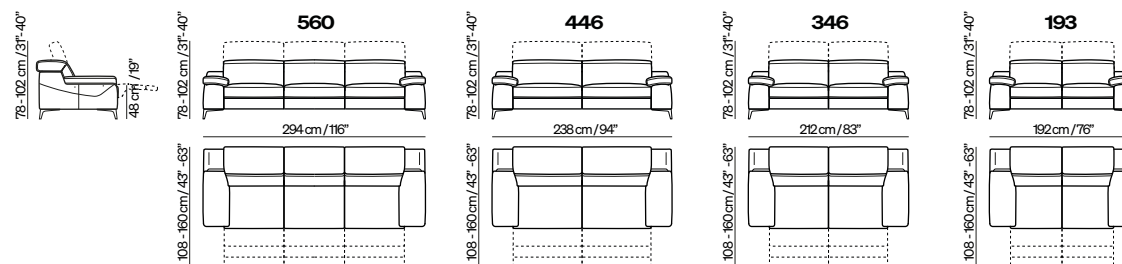

Choose your Duca

The Duca project is extremely versatile, thanks to its 22 SKUs, which allow for unlimited configurations suitable for any space, from retail stores to the homes of our customers.

Moodboard Blue

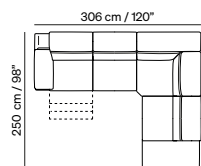

To ensure harmony in the projects, the Natuzzi Style Center carefully selects materials and coverings, creating a dialogue between them. In this case, Status leather in Cold Light Grey colour has been paired with Softech fabric in Blue Jeans colour, along with Noto fabric in Melange Blue. The harmonization of these coverings with woods and marbles will result in a moodboard that defines the final total look of the project. Each collection model offers multiple moodboards to adapt to various market geographies.

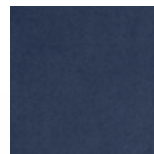

Moodboard blue

Along with the moodboard of coverings and materials, the Natuzzi Style Center harmonizes the living room with furniture and accessories to complete the interior design project.

Moodboard warm neutral

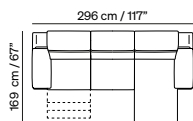

To ensure harmony in the projects, the Natuzzi Style Center carefully selects materials and coverings, creating a dialogue between them. In this case, Le Mans leather in Rosy Light Grey colour has been paired with Softech fabric in Beige colour, along with Viaroma fabric in Ivory. The harmonization of these coverings with woods and marbles will result in a moodboard that defines the final total look of the project. Each collection model offers multiple moodboards to adapt to various market geographies.
