Blow Away Vase

FRONT

The Blow Away is a classic Royal Blue Delft porcelain vase that experienced something truly bizarre... it has been blown aside by a powerful gush of wind. The beauty of the vase lays in the fact that it is bent but not defeated. The Blow Away Vase is produced at 'Royal Delft', the original producer of the beautiful Delft Blue ceramics since 1653.

Detailing

Royal Delft is the only remaining factory of ± 32 earthenware factories that were established in Delft in the 17th century.
