

Calligraphy Bird Comforter

MOOOI

The Calligraphy Bird comforter is part of Moooi's Extinct Animals bedding collection. Calligraphy Bird is an exclusive comforter with a subtle jacquard weave on the front, based on the smallest and softest down feathers of the extinct Calligraphy Bird. The layering and depth of the feathers are central to the cover. The deep colours add a modern and contemporary look. The reverse side is dyed in a solid colour and made from 100% cotton sateen for an extra soft and smooth feeling. The comforter is finished with quilted stitching and flat piping.
