

Embroidered Dodo Pavone Bedspread

MOOOI

The Embroidered Dodo Pavone bedspread is part of Mooodi's Extinct Animals bedding collection. The bedspread has a unique quilted motif inspired by the soft plumage of the amiable Dodo Pavone that lived thousands of years ago. The unique pattern in combination with the embroidered 3D effect gives the bedspread a dream-like appearance. The shiny sateen weave feels wonderfully soft and gives the bedspread a luxurious look. The bedspread is adorned with an Oxford edge.
