

Embroidered Dodo Pavone Duvet Cover

MOOOI

The Embroidered Dodo Pavone duvet cover is part of the Extinct Animals bedding collection. This exclusive duvet cover has a unique quilted motif inspired by the characteristics of the now extinct Dodo Pavone – the largest bird to ever exist on the island of Mauritius. The dreamy pattern in combination with the embroidered 3D effect makes your bedroom the most luxurious room in your home. The back of the duvet cover has a solid colour.
