

# Extinct Animal Pins

MOOOI

By popular demand: a set of five Extinct Animal Enamel Pins. The pins are made from soft enamel that allows for more intricate designs. The textured surface lets you feel the raised and recessed details of each extinct animal. Pin the Blushing Sloth, Calligraphy Bird, Indigo Macaque, Armoured Board and Blooming Seadragon to your daily wear for that unique personal touch. This set of pins is ideal as a gift to yourself or to others. Which one is your favourite?

## *Detailing*

The textured surface lets you feel the raised and recessed details of each extinct animal.
