Woodblock Beetle Blanket

MOOOI

The jacquard-woven blanket is an ode to the Woodblock Beetle. A remarkable creature that turns ordinary wood into living masterpieces. With its razor-sharp legs gracefully dancing across tree trunks, it creates breathtaking motifs. These beautiful motifs are translated into a heavyweight wool blanket with generous dimensions of 130 x 200 cm, featuring mirrored colors and pattern on the reverse side.

Detailing

Jacquard-woven blanket with generous dimensions and reversible design, made of heavyweight 100% pure New Zealand wool.
