

Onda

Onda strikes the perfect balance between form & function, seamlessly blending ergonomic support with sophisticated design. Staying true to both philosophies without compromise, Onda—Italian for “Wave”—offers personalized, instant comfort that adapts to the way you sit. As Via Seating’s first all-mesh, multiple award-winning chair, Onda delivers breathability & flexibility. The mesh back model is also available in versatile stool options, while the sit-to-stand model features an upholstered seat with a telescoping gas lift for dynamic movement & support. Experience the next wave of ergonomic innovation with Onda.

Design by Via Seating Design

Via Seating’s visionaries are a multidisciplinary team dedicated to creating signature products & concepts. Together, they craft modern, sophisticated & original seating solutions that are not only ergonomic & beautiful but also sustainably designed.

Smart Features

1) Sleek Italian Design: Named after the word “wave” in Italian, Onda features elegant lines & a minimalist aesthetic that bring fluid sophistication to any workspace.

2) Adjustable Arms: Onda’s 6D adjustable arms offer personalized support with height adjustment, forward & backward sliding & 360° rotation—locking into multiple positions for optimal comfort.

3) Breathable Comfort: Onda, Via Seating’s first all-mesh, award-winning chair, offers a breathable mesh seat that delivers exceptional comfort & flexibility. Also available with a molded comfort foam seat.

4) Precision in Motion: The quick-adjust synchro with seat depth adjustment, forward tilt, a 5-position tilt limiter, back tension & height adjustment—delivering total ergonomic control at your fingertips.
