

Orbit

Orbit brings a timeless, round form to life with Via Seating's signature motion-lounge experience. Effortlessly swivel 360° or engage in a smooth rock & swivel motion for a dynamic, comfortable sit. Customize your look with a wide selection of metal or wood fixed bases and elevate its aesthetic by mixing upholstery across the seat & back. Designed for versatility, Orbit is the perfect seating solution for lounges, lobbies & executive guest spaces, blending style, comfort & movement in one sophisticated design.

Design by Via Seating Design

Via Seating's visionaries are a multidisciplinary team dedicated to creating signature products & concepts. Together, they craft modern, sophisticated & original seating solutions that are not only ergonomic & beautiful but also sustainably designed.

Smart Features

1) Sculpted Support: The Edge backrest features a sculpted, angular design that delivers both visual impact & ergonomic support. Its contoured shape encourages natural posture while adding a modern, architectural statement to any space.

2) Signature Comfort: Edge features Via Seating's proprietary comfort foam, delivering long-lasting support with a plush, responsive feel that outperforms standard cushioning.

3) Customizable Layers: The Edge chair's angular outer shell pairs with a three-tone multi-upholstery layout, letting you mix & match fabrics or colors across the seat, inner back & outer back for a striking, personalized look.

4) Versatile Base Options: Edge offers a wide range of base styles—including wood, polished, matte black & silver finishes—allowing seamless integration into conference rooms, lounges & executive spaces.
