

Reset

Reset redefines compact seating with a perfect balance of visual & tactile comfort. Whether for a quick sit or extended use, its ergonomic design invites you to sink into a thick layer of comfort foam, sculpted into a supportive waterfall seat. The 4-way stretch elastomeric mesh pairs effortlessly with a smooth flex back, offering up to 22 degrees of movement for a dynamic sitting experience. Elevate your perspective on compact seating with Reset—thoughtfully designed for nesting & task applications, where flexibility meets effortless comfort.

Design by Via Seating Design

Via Seating's visionaries are a multidisciplinary team dedicated to creating signature products & concepts. Together, they craft modern, sophisticated & original seating solutions that are not only ergonomic & beautiful but also sustainably designed.

Reset

Smart Features

1) Multi-Use Versatility: Reset seamlessly transitions between nesting chair, light task chair & stool configurations—offering cohesive design & comfort across a wide range of environments and seating needs.

2) Dynamic Ergonomic Support: The Reset chair's 4-way stretch elastomeric mesh back offers up to 22° of flex, providing adaptive support that moves with the user for enhanced comfort during extended periods of

3) Integrated Fixed Arms: Reset chairs feature integrated fixed arms that enhance comfort and support, seamlessly blending with the chair's design for a sleek, modern aesthetic.

4) Unmatched Nesting Comfort: Unlike typical nesting chairs, Via Seating doesn't compromise on comfort—Reset nesting features proprietary comfort foam, offering long-lasting support with a plush, responsive feel that far outperforms standard cushioning.
