

Riva

Riva combines high-performance task seating with refined design, making it ideal for healthcare environments. Built for intensive use, it offers mesh or upholstered backs, three seat sizes & multiple arm options for ergonomic comfort. Choose between advanced synchro or classic controls, with an optional mechanical lumbar for added support. Durable & easy to clean, Riva delivers lasting comfort & style to medical offices, nurse stations & administrative spaces.

Design by Via Seating Design

Via Seating's visionaries are a multidisciplinary team dedicated to creating signature products & concepts. Together, they craft modern, sophisticated & original seating solutions that are not only ergonomic & beautiful but also sustainably designed.

Smart Features

1) Sculpted Back Design: Riva chairs feature a contoured backrest that delivers ergonomic support with a clean, modern aesthetic—designed to promote comfort & maintain a professional look in any environment.

2) Height Adjustable Arms: Riva's height adjustable arms support proper posture by allowing users to customize arm position for optimal comfort & ergonomic alignment throughout the day.

3) Signature Comfort: Riva features Via Seating's proprietary comfort foam, delivering long-lasting support with a plush, responsive feel that outperforms standard cushioning.

4) Precision in Motion: The quick-adjust synchro with seat depth adjustment, forward tilt, a 5-position tilt limiter, back tension & height adjustment—delivering total ergonomic control at your fingertips.
