

Run II

Let your imagination take the lead with Run II—Via Seating’s most budget-friendly task & conference chair, designed without compromise. Offering exceptional comfort & ergonomic support, its seat—available in medium or large—features plush comfort foam with a waterfall edge for all-day relief. Choose from a mid back, high back, guest chair, or task stool, all available in sleek black or modern magnet grey framework. Whether in a private office, conference room, or collaborative space, Run II delivers stylish versatility & lasting performance at an unbeatable value.

Design by Via Seating Design

Via Seating’s visionaries are a multidisciplinary team dedicated to creating signature products & concepts. Together, they craft modern, sophisticated & original seating solutions that are not only ergonomic & beautiful but also sustainably designed.

Run II

Smart Features

1) Ergonomic Support: The Rise chair's 4-way stretch elastomeric mesh back conforms to the spine, providing breathable support and promoting airflow for enhanced comfort during extended use.

2) Lumbar Support Insert: Rise's lumbar insert enhances lower back support, promoting ergonomic comfort during extended use.

3) Signature Comfort: Rise features Via Seating's proprietary comfort foam, delivering long-lasting support with a plush, responsive feel that outperforms standard cushioning.

4) Body Balance Synchro Mechanism: The Rise chair's body balance synchro mechanism offers a 4-position back lock, seat height, and seat depth adjustments, promoting ergonomic comfort and adaptability.
