

Satellite

Work is anywhere one can sit. Satellite is organically designed to compliment any of Via Seating's soft seating lounge and is light in scale to be flexible, casual and functional. Satellite can easily slip in to support activity in casual spaces. Convenient and sturdy, this nimble table has a generous surface area to support a wide range of devices/tablets.

Design by Via Seating Design

Via Seating's visionaries are a multidisciplinary team dedicated to creating signature products & concepts. Together, they craft modern, sophisticated & original seating solutions that are not only ergonomic & beautiful but also sustainably designed.
