

Splash

Splash, designed by Basaglia & Rota Nodari, is a stunning Italian-designed seating collection that blends elegance, versatility & affordability. Perfect for a wide range of applications, this dynamic series offers high-density stacking chairs—stacking up to 40 high on the optional cart—as well as stacking stools for flexible seating solutions. Customization abounds with thoughtful add-ons, including a book rack & tablet arm, making Splash ideal for classrooms, training rooms & collaborative spaces. For outdoor environments, explore Splash Air, designed to bring the same sophisticated style & functionality to open-air settings.

Design by Basaglia & Rota Nodari

Via Seating's visionaries are a multidisciplinary team dedicated to creating signature products & concepts. Together, they craft modern, sophisticated & original seating solutions that are not only ergonomic & beautiful but also sustainably designed.

Splash

Smart Features

1) Backrest Versatility: Choose mesh for breathable comfort & self-sanitizing copper protection, or poly for a sleek, easy-to-clean design.

2) Arm Options: Choose armless for a minimalist look and easy maneuverability or fixed arms for added support and comfort—both available in finishes matching the chair's frame.

3) Upholstered Options: Enhances comfort on the seat and/or back. Allows designers to apply various patterns and colors, adding style and personalization to the Splash collection.

4) Cohesive Height Options: Available in seat, bar & counter heights—Splash delivers a unified design aesthetic across multiple seating applications.
