

Sutro

Sutro, designed by Diemmebi R&D, is a masterful blend of Italian design, mobility & versatility. Crafted for effortless functionality, this multiuse seating series embodies both elegance & practicality. Its sleek, lightweight frame features a signature sweeping cutout in the back—both a striking design element & a convenient handle for easy lifting & repositioning. Customize Sutro to fit any space with an optional comfort foam upholstered seat & back, as well as frame-matching arms. Designed for flexibility & lasting appeal, Sutro seamlessly adapts to dynamic environments with style & ease.

Design by Diemmebi R&D

This creative team that originated in 1983, is located in the lovely and inspiring, Province of Treviso, Italy. Diemmebi has developed numerous products across seating, table, outdoor furniture and other categories. They have won numerous awards for their designs including the NeoCon Gold Award, the Interzum Award and the ADI Design Index..

Smart Features

1) Easy-Clean Design: The Sutro chair's signature back cutout facilitates effortless lifting and transport, while also allowing debris to pass through, simplifying cleaning and maintenance.

2) Color-Matched Fixed Arms: Sutro chairs offer fixed arms that seamlessly match the poly back and seat colors—available in black, grey, or white—ensuring a cohesive and unified aesthetic.

3) Upholstered Options: Enhances comfort on the seat and/or back. Allows designers to apply various patterns and colors, adding style and personalization to the Sutro collection.

4) Frame Mobility Options: The Sutro collection's 4-leg chairs offer a choice between glides for stationary use and casters for enhanced mobility, allowing customization to suit various environments and functional needs.
