Hayman Teak Swivel Lounge Chair

Our Hayman collection is a statement in simplicity with clean angles and modern styling. The swivel version of our lounge chair, our low-profile Hayman Teak Swivel Lounge Chair was designed to be experienced — sink into ultimate relaxation with a cushion for deep seating available in a range of neutral tones supported by a Batyline sling suspension in White for added comfort, all crafted in a solid natural teak frame. The swivel feature is both practical and playful. Indoor comfort meets outdoor performance with this modern swivel lounge chair made for a variety of patio and pool spaces.

FEATURES

- Frame handcrafted of sustainably sourced solid Indonesian teak in our workshop
- When properly maintained and cared for, teak is the ideal outdoor material with its natural resistance to weather, cracking and rotting. Please refer to our Care + Maintenance Guide for additional information about the care and natural beauty of teak
- Swivel base allows for easy rotation
- Concealed Batyline mesh sling suspension adds comfort to the sit and overall functionality. Batyline mesh is easy to clean, as well as resistant to fading, stretching and stains.
- 1 seat cushion and 1 box back cushion included. Resistant to outdoor mildew, stains and fading.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort. Back cushion is filled with Dacron.
- Swivel mechanism rotates in a continuous 360 degree swivel; the swivel does not spin-back to an original orientation, but remains as last positioned.
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
