Formentera Round Dining Table 60"

Designed by Kara Mann. Featuring exposed aluminum tube, twisted all-weather rope and deep green marble, our Formentera collection is organic luxury. The Formentera Round Dining table transforms traditional aesthetics for a coastal lifestyle — featuring a classic central plinth silhouette, hand woven with all-weather rope in our workshop. The rope features a twisted detail that recalls functional nautical ropes, while the vertical up-and-down pattern highlights the simplicity of form and allows light to pass through the rope onto the aluminum substructure. Topped with a stone surface in your choice of marble or travertine for an earthy detail, this piece is the perfect mix of contemporary materials for any outdoor space.
