An indoor aesthetic meets outdoor performance with this geometric modern coffee table made for a variety of spaces.

FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Superior quality powder coating applied for weather resistance
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
