

HARBOUR

Andre Dining Chair

The Andre Dining Chair is inspired by classic wrought iron European furniture—enjoy a comfortable seat pad with a knife-edge back pillow on our signature powder coated aluminum frame in a thinner style that creates an airy openness. The gradual slope and subtle curve of the frame add contemporary flair, while the back legs echo this effect with an equally subtle splay design. Details like ball feet and multiple rows of legs inject a contemporary, playful element. The signature cafe-inspired piece, this outdoor dining chair captures the look and feel of iron in an elegant construction that you might discover sitting in the garden of a five-star hotel in the South of France. Pair it with a Harbour table to complete your outdoor dining set.

FEATURES

- Concealed aluminum slatting
- 1 bench seat cushion and 3 knife edge back cushions included.
- Resistant to outdoor mildew, stains and fading.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort.
- Back cushion is filled with Dacron.
- A self pipe has been added to frame these cushions.
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging.
- 7mm adjustable non marring nylon floor protectors – black.
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
