## Amalfi Swivel Armless Chair

Our Amalfi collection brings Italian upholstery to the outdoors. The swivel version of our Armless Chair, the Amalfi Swivel Armless Chair is unmatched luxury — enjoy supportive comfort with a structured tight seat and back in premium Italian fabric in a range of neutral tones on an extruded aluminum plinth base in Asteroid or Taupe, entirely and surprisingly made from 100% outdoor materials. Used as a stand-alone or extended with other sectional sofa components, this contemporary sofa further blurs the lines between indoor/outdoor living and instantly elevates any smaller space. The swivel design is both practical and fun — a perfect addition to your living space or around a fire pit for the ultimate experience. Because of the swivel, use this piece as a stand-alone lounge chair and not as a sectional sofa component.

- Swivel mechanism rotates in a continuous 360 degree swivel; the swivel does not spin-back to an original orientation, but remains as last positioned.
