Antigua Dining Chair

Our Antigua collection brings European styling and a new vision of rope to the coastal lifestyle. Crafted in powder coated extruded aluminum in Asteroid or Taupe, the subtle curved back of our Antigua Dining Chair with a unique rope design available in Dark or Light Grey is designed to hug for total comfort — but the included back and seat cushion in a range of neutral hues take comfort to the next level. Pair this modern dining chair with one of our dining tables to complete the outdoor dining set.

FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Back and arms hand wrapped with all-weather Olefin rope, a defining feature of the collection that adds comfort and visual interest
- Superior quality powder coating applied for weather resistance
- 1 seat cushion and 1 knife-edge back cushion included. Resistant to outdoor mildew, stains and fading.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort. Back cushions are filled with Dacron.
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
