Loop Dining Chair

Our Loop collection blends clean angled lines with the grid of the wicker to create a namesake looping design. The Loop Dining Chair is the perfect match for your outdoor dining set — enjoy a plush cushion and a gentle curved back, part of a powder coated extruded aluminum frame. The seat and back feature an open weave all-weather wicker that balances the contemporary with the modern. Impeccably crafted and quick drying, this versatile piece completes any outdoor space.

FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Superior quality powder coating applied for weather resistance
- Seat and back feature an open-weave wicker crafted of high-density polyethylene. Lightweight and sturdy.
- 1 seat cushion included. Resistant to outdoor mildew, stains and fading.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
